WORLD CONSTRUCTION 1978 ANNUAL INDEX

BRIDGES

Telescopic frames shore a viaduct ....Feb. p. 35
Self-climbing system raises bridge piers ....Feb. p. 37
Concrete reaches new heights on the Rhine ....Mar. p. 42
Why not use earth heat to keep bridge decks ice-free? ....Mar. p. 50
New two-hump road bridge is Australia's longest ....Mar. p. 74
Corrosion prevention of steel bridges ....Mar. p. 7[illegible]
How would you fix this jammed bridge? ....Apr. p. 78
Demolition duo speeds bridge ramp job ....May p. 111
Changing bridges in midstream proves profitable ....June p. 108
Segmental prestressed concrete bridges: a European phenomenon ..June p. 111
Bridge blight: the search for a remedy continues ..July p. 78
How to detect concrete deck corrosion earlier ....July p. 81
Steel plate system saves deck and money ....Aug. p. 69
Cost factor favors timber piles for concrete viaduct ....Sept. p. 34
Tough bridge renewal job doesn't scare Texans ....Sept. p. 54

BUILDINGS

Laser beam accuracy leads to savings ....Jan. p. 40
Planning for new city in Egypt aims to avoid previous "New Towns" errors ....Mar. p. 54
The gantry will assemble floating nuclear power plants ....Apr. p. 67
Going to great length to stop a leaky roof ....Apr. p. 74
Computers in construction: Other applications ....June p. 58
Prefab buildings: Fastest growing segment of the industry ....Aug. p. 18
Hints on buying relocatable buildings ....Aug. p. 31
Mei Foo: Hong Kong's middle-income housing project ....Aug. p. 56
The challenge of outer space ....Sept. p. 18
Reactor builders profit by experience ....Sept. p. 87
Argentina: a likely market for prefab buildings ....Sept. p. 91
Modular-building breakthrough in Australia ....Sept. p. 116
Stadium expands by lift-up method ....Oct. p. 30
The Olympics: Games for some; work for others ....Oct. p. 33
How a switch to standard forming cut costs ....Oct. p. 109
Low-cost housing is theme of seminar ....Dec. p. 60

CONFERENCES AND EXHIBITS

ConAgg '78—a winner! ....Mar. p. 24
Transportation Research Board annual meeting ....Mar. p. 48
Expomat '78 exudes enthusiasm ....July p. 22
Hannover '78—end of an era? ....July p. 44
How to get the most from the exhibits you attend ..Sept. p. 82
South Africa's first construction equipment show ....Sept. p. 112
Low-cost housing is theme of seminar ....Dec. p. 60

CONSTRUCTION MANAGEMENT

Before you send that key man overseas ....Mar. p. 36
Some basics for training local personnel ....Mar. p. 94
Are you ready to take on a foreign contract? ....Apr. p. 37
Using commodity futures to estimate future costs ..Apr. p. 45
U.K. builders can't cope with rising accident rate .May p. 114
The evolution of the computer market ....June p. 34
Computers or computing services? ....June p. 35
When you decide to buy a computer ....June p. 37
Contractor's system for budget control ....June p. 47
Solving the mechanical aspects of rural highway design ....June p. 52
Computers in construction: other applications ....June p. 58
The sorry state of safety in construction ....Sept. p. 79
Computer analysis of physical properties ....Oct. p. 48
More computer applications Oct. p. 52
Meeting the information crisis ....Oct. p. 54
Needed: professionalism in estimating ....Nov. p. 56
The human side of machine productivity ....Nov. p. 62
CIMA survey highlights manufacturer's economic contributions ....Nov. p. 82
Tight scheduling makes the difference ....Nov. p. 92

CONSTRUCTION OPPORTUNITIES

Venezuela builds at a feverish pace ....Feb. p. 53
Opportunities and challenges in developing countries ....Apr. p. 42
Mainland China and the construction industry ....May p. 24
South Koreans seek world-wide contracts ....May p. 102
Middle East: the boom moderates ....June p. 26
Bahrain's Big Hope ....June p. 28
Contracting in Saudi Arabia ....June p. 79
Prefab Housing: Fastest growing segment of the industry ....Aug. p. 18
Mei Foo: Hong Kong's middle-income housing project ....Aug. p. 56
Argentina: a likely market for prefab buildings ....Sept. p. 91
Kenya anticipates a boom ..Dec. p. 24
Middle East still looks good, but ....Dec. p. 25
Brazil hopes for the best ...Dec. p. 28

DAMS

Dam formwork with a difference ....Feb. p. 41
South Africa's do-it-yourself dam ....Mar. p. 68
Diverting the Paraná River at Itaipu ....June p. 70
Diverting the Paraná River at Itaipu—Part II .July p. 56
Ayvacik: A turning point in Turkish technology ....Oct. p. 18
Aslantas continues the innovative trend ....Oct. p. 24
Why dams fail, what's being done about it ....Oct. p. 73
Cutting deep slot in dam ends cracking problem ...Oct. p. 74
Japan's disaster-prevention dams ....Oct. p. 85
Grouting saves a clay-core rockfill dam ....Oct. p. 110
Improvised underwater blasting without drilling ..Dec. p. 54

DRILLING AND BLASTING

Blast hole bit designed for extra hard formations ....May p. 66
Diverting the Paraná River at Itaipu ....June p. 70
Improved methods of pre-splitting and blasting ...June p. 96
Diverting the Paraná River at Itaipu—Part II .July p. 56
A tough drilling job well done ....Aug. p. 92
Ayvacik: A turning point in Turkish technology ....Oct. p. 18
Aslantas continues the innovative trend ....Oct. p. 24
Production drilling with an excavator ....Oct. p. 68
Improvised underwater blasting without drilling ..Dec. p. 54

EARTHMOVING

Earthmoving methods based on haul distances ..Mar. p. 60
Making and maintaining watercourses ....Apr. p. 22
No nonsense trench shoring system ....Apr. p. 73
When articulation pays off .June p. 106
Swivel-action excavator sidesteps problems ....Aug. p. 88
Trends in earthmover engines ....Sept. p. 39
Contractors battle oil-coated beaches in Brittany ....Sept. p. 108
Surcharging speeds settlement of Springfield Flats ....Oct. p. 86
The secret of successful jungle clearing ....Nov. p. 64
Jeddah's transformation to a modern port ....Nov. p. 68
Draglines pull their share of the load ....Nov. p. 75
The Persian Gulf gets a port ....Nov. p. 80

EQUIPMENT EVALUATION AND MANAGEMENT

On-site power offers a range of options ....Jan. p. 18
Satisfying the contractor's power needs ....Jan. p. 20
Guidelines for choosing and operating generating sets ....Jan. p. 25
What's new in portable generators ....Jan. p. 29
Laser beam accuracy leads to savings ....Jan. p. 40
Big job for sea-going hydraulic excavator ....Jan. p. 48
Popular forming systems in use today ....Feb. p. 27
Slip forms have come a long way ....Feb. p. 32
New applications of concrete forming techniques ....Feb. p. 33
Collapsible form system speeds sewer job ....Feb. p. 35
Telescopic frames shore a viaduct ....Feb. p. 35
Self-climbing system raises bridge piers ....Feb. p. 37
Dam formwork with a difference ....Feb. p. 41
Formwork products for contractors ....Feb. p. 44
Small bore tunneling: horizontal drilling is one approach ....Feb. p. 46
Small tunnels can have big problems ....Feb. p. 49
Taking the guesswork out of dredging ....Feb. p. 59
Reducing hydraulic equipment maintenance costs ....Mar. p. 56
Earthmoving methods based on haul distances ..Mar. p. 60
So you're thinking of buying a helicopter ....Apr. p. 28
Trends in compaction equipment ....Apr. p. 52
Analyzing hose failure ....May p. 41
That failed hose is trying to tell you something ....May p. 44
Blast hole bit designed for extra hard formations ....May p. 66
State-of-the-art of braking ....May p. 92
Vehicle retarders: present and future ....May p. 97
There's more than one way to brake a truck ....May p. 113
Standardized plants cut stone production costs ..June p. 61
Save 20% on your electric bill ....June p. 84
Plant site checklist for electrical energy conservation ....June p. 87
Maintaining top diesel engine output ....June p. 99
How to deal with stress-corrosion cracking ....July p. 60
Generator sets: how to size them ....Aug. p. 37
Inspecting wire rope for safe rigging ....Aug. p. 66
Suggestions for choosing truck tires ....Aug. p. 74
Equipment as a profit center ....Aug. p. 82
Swivel-action excavator sidesteps problems ....Aug. p. 88
What you should know about flexible hose lines ..Aug. p. 90
Meeting the challenge of inner space ....Sept. p. 24
Trends in earthmover engines ....Sept. p. 39
Caterpillar's engine technology ....Sept. p. 42
Rolls-Royce backs its diesels ....Sept. p. 43
What is wire rope? ....Oct. p. 94
Cranes on camera ....Oct. p. 97
Basic pump maintenance ...Nov. p. 22
How to reduce dredge pump downtime ....Nov. p. 39
Portable 'clean room' for hydraulic service ....Nov. p. 42
Rubber lining stretches dumper life ....Nov. p. 44
Serviceability counts with fleet operators ....Nov. p. 46
Tire system designed for faster servicing ....Nov. p. 47
Checking compressed air losses ....Nov. p. 48
Needed: professionalism in estimating ....Nov. p. 56
The human side of machine productivity ....Nov. p. 62
One man's review of modern surveying instruments ....Nov. p. 70
Office equipment and information management .Dec. p. 34

HARBORS, PORTS, AND OTHER MARINE STRUCTURES

Big job for sea-going hydraulic excavator ....Jan. p. 48
Taking the guesswork out of dredging ....Feb. p. 59
BRE studies metals in marine environments ....Mar. p. 84
New underwater hammer tackles tough pile driving job ....Mar. p. 92
The gantry will assemble floating nuclear power plants ....Apr. p. 67
Port-au-Prince builds for the future ....May p. 32
Push plate makes canal locks obsolete ....May p. 65
An all-weather shiploading

1978 ANNUAL INDEX . . .

berth ..... May p. 70
Tiny dredge just fits this job ..... May p. 105
Casting long piles on-site speeds port expansion .... Oct. p. 116
Jeddah's transformation to a modern port ..... Nov. p. 68
The Persian Gulf gets a port ..... Nov. p. 80

HIGHWAYS

The International Road Federation at Tokyo .... Jan. p. 51
What are the alternatives to pavement overlays? ... Mar. p. 48
Does recycling of concrete really pay off? ..... Mar. p. 50
How increased truck size affects pavement life .... Mar. p. 53
What about PCC shoulders for rural highways? ..... Mar. p. 55
New two-hump road bridge is Australia's longest ..... Mar. p. 74
Asphalt recycling gains momentum ..... May p. 48
Solving the mechanical aspects of rural highway design ..... June p. 52
Computers in construction: other applications ..... June p. 58
Sulphur-asphalt is making a comeback ..... June p. 66
Itaipu's construction brings many changes ..... July p. 104
Solving road embankment problems in the U.S.S.R. ..... Aug. p. 48
Horizontal drains save a highway ..... Aug. p. 89
A tough drilling job well done ..... Aug. p. 92
What they learned about slipforming in the U.S.S.R. ..... Sept. p. 96
The Belgian approach to skid-proofing roadways ... Sept. p. 100
Road building is different in the Faroes ..... Oct. p. 62

INDEX

Annual Index for 1977 articles ..... Jan. p. 45
Annual Index for 1978 articles ..... Dec. p. 65

INDUSTRIAL/POWER STRUCTURES

On-site power offers a range of options ..... Jan. p. 18
Dinorwic pumped power storage project revisited Jan. p. 32
Slip forms have come a long way ..... Feb. p. 32
The gantry will assemble floating nuclear power plants ..... Apr. p. 67
Diverting the Paraná River at Itaipu ..... June p. 70
Ayvacik: A turning point in Turkish technology .... Oct. p. 18
Aslantas continues the innovative trend ..... Oct. p. 24
Cape Town's pumped storage scheme ..... Nov. p. 22
Proper training leads to low weld reject rate ..... Dec. p. 38

MATERIALS EVALUATION

Corrosion control: check when you buy threaded fasteners ..... Feb. p. 60
Low-cost construction materials: worn tires ..... Mar. p. 65
Change lube oil to fuel ..... Apr. p. 81
Slotted drain eliminates costly curb inlets ..... July p. 94
Cable protection covered by new ducting ..... Aug. p. 45

MATERIALS PREPARATION AND HANDLING

The International Road Federation at Tokyo .... Jan. p. 51
Notes from a sand and gravel plant operator's meeting ..... Feb. p. 58
Corrosion control: check when you buy threaded fasteners ..... Feb. p. 60
BRE studies metals in marine environments ..... Mar. p. 84
Giant gantry crane calls for tricky rigging ..... Apr. p. 66
Asphalt recycling gains momentum ..... May p. 48
Rapid-setting materials for patching of concrete ..... May p. 59
Polymer concrete long accepted in Germany ..... May p. 60
Standardized plants cut some production costs ... June p. 61
Sulphur-asphalt is making a comeback ..... June p. 66
World's largest all-wood structure ..... July p. 102
How a switch to standard forming cut costs ..... Oct. p. 109
Nonwovens: the fabrics of construction ..... Dec. p. 44

METHODS EVALUATION

Big job for a sea-going hydraulic excavator ..... Jan. p. 48
Notes from a sand and gravel plant operator's meeting ..... Feb. p. 58
Concrete reaches new heights on the Rhine ..... Mar. p. 42
Breakthrough scored in recycling hot-mix asphalt ..... Mar. p. 48
Does recycling of concrete really pay off? ..... Mar. p. 50
Low-cost construction materials: worn tires ..... Mar. p. 65
Refined hyperbaric welding ..... Apr. p. 84
Asphalt recycling gains momentum ..... May p. 48
Surface recycling shows great promise ..... May p. 52
New road stripe removers .. May p. 63
Improving truck efficiency . May p. 81
High capacity pipe piles in Louisiana silts ..... May p. 85
Changing bridges in midstream proves profitable ..... June p. 108
Diverting the Paraná River at Itaipu—Part II July p. 56
Brine better than salt for ice removal ..... July p. 70
Bridge blight: the search for a remedy continues .. July p. 78
How to detect concrete deck corrosion earlier ... July p. 81
Flux-cored welding more efficient, costs less ..... July p. 96
World's largest all-wood structure ..... July p. 102
Jacks lower roof nice and easy ..... Aug. p. 65
Steel plate system saves deck and money ..... Aug. p. 69
Servicing steps for off-highway truck tires ..... Aug. p. 77
Plastic fill sets poles firm and fast ..... Aug. p. 85
Tunnel soft spot fixed by freezing ..... Sept. p. 47
Tough bridge renewal job doesn't scare Texans ..... Sept. p. 54
Troubleshooting with schematics ..... Sept. p. 62
Reactor builders profit by experience ..... Sept. p. 87
Contractors battle oil-coated beaches in Brittany ..... Sept. p. 108
Modular-building breakthrough in Australia ..... Sept. p. 116
Stadium expands by lift-up method ..... Oct. p. 30
More computer applications ..... Oct. p. 52
Meeting the information crisis ..... Oct. p. 54
Why dams fail, what's being done about it ..... Oct. p. 73
Cutting deep slot in dam ends cracking problem ... Oct. p. 74
Japan's disaster-prevention dams ..... Oct. p. 85
Surcharging speeds settlement of Springfield Flats ..... Oct. p. 86
Grouting saves a clay-core rockfill dam ..... Oct. p. 110
Plastic cover protects dam during construction ..... Oct. p. 110
When an engine won't start ..... Nov. p. 49
The secret of successful jungle clearing ..... Nov. p. 64
Tight scheduling makes the difference ..... Nov. p. 92
Office equipment and information management . Dec. p. 34
Leasing office equipment becomes more popular ... Dec. p. 37
Proper training leads to low weld reject rate ..... Dec. p. 38

PAVING, COMPACTION, AND STABILIZATION

Laser beam accuracy leads to savings ..... Jan. p. 40
Modern-day canal builders in Africa ..... Feb. p. 56
Concrete reaches new heights on the Rhine ..... Mar. p. 42
Breakthrough scored in recycling hot-mix asphalt ..... Mar. p. 48
What are the alternatives to pavement overlays? ... Mar. p. 48
How increased truck size affects pavement life .... Mar. p. 53
What about PCC shoulders for rural highways? ..... Mar. p. 55
Trends in compaction equipment ..... Apr. p. 52
There's a compactor for every need ..... Apr. p. 54
Stuttgart airfield gets a major overhaul—fast ..... May p. 36
Beirut airport now bigger than ever ..... May p. 36
Resurfacing R.A.F. Fairford ..... May p. 37
Seen in England ..... May p. 90
Sulphur-asphalt is making a comeback ..... June p. 66
Firmer road beds for European rails ..... July p. 58
Polyester wick drains speed soil settlement ..... July p. 74
The U.S.S.R.'s Baikal-Amur railway rolls eastward ..... July p. 92
Solving road embankment problems in the U.S.S.R. ..... Aug. p. 48
Raising embankments on soft ground ..... Aug. p. 53
Checklist for smart slurry seal handling ..... Aug. p. 80
Horizontal drains save a highway ..... Aug. p. 89
What they learned about slipforming in the U.S.S.R. ..... Sept. p. 96
The Belgian approach to skid-proofing roadways ... Sept. p. 100
Surcharging speeds settlement of Springfield Flats ..... Oct. p. 86

PILEDRIVING

New underwater hammer tackles tough pile driving job ..... Mar. p. 92
Port-au-Prince builds for the future ..... May p. 32
High capacity pipe piles in Louisiana silts ..... May p. 85
Cost factor favors timber piles for concrete viaduct ..... Sept. p. 34
New drills aid offshore foundation work ..... Sept. p. 59
Casting long piles on-site speeds port expansion .... Oct. p. 116

PIPELINES AND CANALS

Collapsible form system speeds sewer job ..... Feb. p. 35
Small bore tunneling: pipe-jacking ..... Feb. p. 48
Modern-day canal builders in Africa ..... Feb. p. 56
For longer-lasting corrugated steel pipe ..... Mar. p. 81
Making and maintaining watercourses ..... Apr. p. 22
It was their first major outfall project ..... Apr. p. 69
Push plate makes canal locks obsolete ..... May p. 65
Computers in construction: other applications ..... June p. 58
Sudan's Jonglei Canal plagued by problems .... July p. 84
Production drilling with an excavator ..... Oct. p. 68
Buenos Aires solves a drainage problem ..... Oct. p. 104

TRANSPORTATION STRUCTURES

Portland cement concrete runway is recycled ..... Mar. p. 48
Stuttgart airfield gets a major overhaul—fast ..... May p. 36
Beirut airport now bigger than ever ..... May p. 36
Resurfacing R.A.F. Fairford ..... May p. 37
Firmer road beds for European rails ..... July p. 58
Special arch forms speed subway forming ..... July p. 66
The U.S.S.R.'s Baikal-Amur railway rolls eastward ..... July p. 92
The challenge of outer space ..... Sept. p. 18

TUNNELS

Dinorwic pumped power storage project revisited Jan. p. 32
Collapsible form system speeds sewer job ..... Feb. p. 35
Small bore tunneling: horizontal drilling is one approach ..... Feb. p. 46
Small bore tunneling: pipe-jacking ..... Feb. p. 48
Small tunnels can have big problems ..... Feb. p. 49
Pilot tunnel pinpoints problem areas ..... May p. 76
Tunnel soft spot fixed by freezing ..... Sept. p. 47
Ayvacik: A turning point in Turkish technology .... Oct. p. 18
Aslantas continues the innovative trend ..... Oct. p. 24
Road building is different in the Faroes ..... Oct. p. 62
Designed for small, soft-ground tunnels ..... Oct. p. 112

WATER & WASTE MANAGEMENT STRUCTURES

New applications of concrete forming techniques ..... Feb. p. 33
For longer-lasting corrugated steel pipe ..... Mar. p. 81
Giant water tanks feature unusual design ..... Mar. p. 90
New water tower 'blossoms' into shape ..... Apr. p. 82
Saving field time with pre-fab pipe ..... Oct. p. 107
